The 1952 annual staff took upon itself the task of presenting to its readers an attractive and absorbing book—a record of events at Wayne High during the year 1951-52.

The satisfaction of accomplishment, yes, but even more, the joy of service to W.H.S. has been our compensation in the production of this volume. We sincerely hope you will accept it in the spirit in which it is offered, and that in future years it may recall many happy memories of your school days.

DEDICATION

Much of Wayne High's interest lies in its outstanding athletic program. Its success comes not from the students alone, but largely from the stress on character development by our coaches. Lloyd Horton and Rodney Love possess the character and leadership necessary for their association and coaching of our youth.

We deeply appreciate the effort given by these two men in building our teams and respectfully dedicate to them our annual, the 1952 DEVIL DAZE.

Wayne High

Wayne High students are justly proud of their High School building and campus—proud of their campus for its artistic landscaping, proud of their building for its beauty and facilities of a modern school plant. It is in this building that ability, personality, and character are developed in the molding of the future citizens of Wayne.

LEFT TO RIGHT: Edward Seymour, Edith Wightman, Paul Mines, Cob Olson, Glen Houdersheldt, Carl Nuss.

School Board

The Wayne School Board is made up of intelligent, progressive and alert business men and women of the community who devote their time to school affairs without compensation. Some of the many responsibilities of the School Board are: engaging the teachers for the school year, taking care of school finances, and directing and arranging for the upkeep and improvement of the school building.

In the present, as well as in the past, they are doing their utmost to further the progress of the school—in scholastics, in athletics, and all other activities.

Class Prophecy

Here we are in the year 1972. Let's see what we can find on the radio. Radio? What's that? Let's turn on the Television and see if we can find something interesting. Over here on Channel 10 we have that well-known news commentator, Robert Carhart. I wonder what he has to say. He's just reading a news flash—Robert Goshorn, the jet car ace, set a new speed record of 1000 m.p.h. Some speed! Let's hear what else Bob has to say. The well-known French teacher, Margaret Swinney, is returning to this country from Paris for a short visit. She is teaching French in the University of Paree where she has won great recognition. Now a word from the world of fashion. The head dress designer of the Voque magazine, Betty Mohlfeld, says that skirts will be shorter again this year. The first thing we know, styles will be back to what they were in 1952. The world famous show, "Roller Capades" is now touring the country, and has been proving very successful. The star of the show is Gladys Temme. It is surprising how people throughout the country have acclaimed the show, so be sure to see it when it comes to your city. Now to the world of sports,

Marjorie Dorman, head coach at Harvard University, has a winning team this year. They've won all six hundred basketball games they played this season. Weatherman Carl Allvin reports that the weather tomorrow is to be fair and warmer.

Let's see what program is on Channel 25. It's the "Main Street of Anytown, U.S.A." As we take a trip down Main Street, we see many familiar looking faces. Who's that tall lass on the corner over there? Why it's Bonnie Sorensen. What does that sign say? Sorensen's Dog Kennels. Bonnie looks tired—she must have spent many sleepless nights with her dogs.

Walter Gilbert's Curiosity Shop is down the street aways. Over on the opposite side of the street is Mme. Dorthy Finn's Beauty Salon. And farther on down the street is Test's Farm Equipment Store. Why, there's Paulson's Horse Stables. There's Joeanne out scrubbing one of her thoroughbreds now. Elaine

Otte's Baton School is the last stop on the program.

Here comes the best program of the day, "Circus Highlights," sponsored by Jim Colson's Hatchery. There's the fat lady of the circus, Marlene Thun. The muscle man of the circus is—excuse me while I look again—it is—it's Vernon Hollman. Shirley Lindsay has come a long way since high school. Then she was a lover of cats, and now she's head lion-tamer of the circus. The star acrobats of the show are two misses that look familiar. It looks like Joan Grimm and Joanne Damme. It is! Isn't that man tall? He's the tall man of the circus, Harns Heineman. Paul Dangberg is the fire eater. He's just finished his lunch of a small bonfire. Joan Hansen's trained seals are a favorite of the children. That must take patience to train those seals. Kenneth Hamer is the barker for that side show over there. Glen Meyer just drove a big car in front of the television camera. He and David Meyer are co-owners of this the Meyer and Meyer Circus.

Television is getting boring. Let's see what we can find of interest in this morning's newspaper. The show on at the Picture Theater is "Decision After Dawn." The main stars are Alice Benthack, Donald Skeahan, and Dorthy Kluge. That picture won the highest award in the picture industry this year. In the sports section of the paper we find that Dwayne Atkins is scheduled to play in the tennis finals in Australia on Tuesday. Harvey Brader has just announced his jet car, the Brader Special. Along with Harvey's car comes the announcement of a new jet plane, the Milliken Star Rocket. Robert has been designing jet planes for many years, but this is the first time one of his models has been accepted for production. What does this ad say? Have your photographs taken at the Kabisch Photo Center. Joanne insures you that you will be satisfied with your portrait or your money back. Gary Nelson has been named father of the year. That's a great honor for our old classmate. Elaine Hurd has been named mother of the year. Wasn't she an old classmate of ours, too? The Waynite Trio composed of Marilyn Day, Joan Nelson, and Barbara Debus, is scheduled to appear on Friday at the Stork Club. Billie Leonard and Marlene Lange have made a great discovery in the world of science—how to cure rancer.

There's nothing else of interest in the paper, let's go to a magazine. Normal Bichel is on the cover. Here's an advertisement for Grandquist's High Power Gasoline. Janet Larson's Delicatessen is introducing a new dish, canned ice cream. The product is to be put out in the near future by Canning's Canning Co. Puth McPherran and Marie Kalkofen have composed the prize-winning song of the year. An article written by Phil James tells all about the girls' success. Victor Kniesche is modeling the coming fashions in men's clothes—lace pantaloons. Here's an ad for King's Phonograph Records. The latest release is "My Old Nebraska Home," sung by crooner, Nell Burnham. On the last page of the magazine is an article about the famous magician, Don Kollmorgen. And here's a coming attraction to be in next month's magazine. A full-length

novel written by Robert Jensen.

Hasn't this been a refreshing look into the future? Of course we're not guaranteeing that all these prophecies will come true, but it's been fun, and you never can tell.

Football

The 1951 Blue Devil gradders, proved to be one of the better teams Wayne High has had. At the season's end the Lincoln Star and Journal rated Wayne High tenth of all Class B clubs in the state. They went through an 8 game season undefeated, only to lose to Oakland 14-6 in the Husker Conference play-off.

In this game the Blue Devils played their best game of the year, but the breaks didn't come their way. They outdowned the Oakland eleven 16 to 5 and outgained them 278 to 212 in total yardage. As one fan said, "I don't see

how a team could play such good ball and still lose the game."

During the regular season Wayne score 222 points to their opponents 32. Team play was the main factor in all the games as no one player dominated the play during the season

The scoring which was evenly divided is as follows: Meyer 62, Granquist 38, Palmer 31, D. Atkins 30, Skeahan 24, Tietsort

24, Henegar 13, J. Atkins 6.

Coaches Horton and Love's usual starting eleven were J. Atkins and Gilbert Granquist at ends, Vic Kniesche and Robert Jensen at tackles, Clarence Mann and David Meyer at guards, Gordon Zapp at center, Don Skeahan at quarter, Mark Tietsort and D. Atkins at half and Bill Palmer at fullback.

The seniors who will be missing from next year's team and deserve much credit for their fine efforts are Dwayne Atkins, Gilbert Granquist, Evan Hughes, Robert Jensen, Don King, Vic Kniesche, Jerry Lamp, David Meyer and Don Skeahan.

Basketball

Starting almost from scratch after losing seven seniors from last year's class B runners up, Coach Horton brought his Blue Devil cagers to a Husker Conference Championship. It was the first championship won by the west division and it brought sweet revenge to Wayne High. In two attempts in football and one in basketball Wayne had suffered defeat at the hands of the Oakland Vikings. This time, however, Coach Horton's boys were not to be denied and displayed a sterling performance of team play to win 57-52. In this game David Meyer and Dwayne Atkins led the Wayne scoring with 19 and 18 markers respectively. Don Skeahan, Jim Henegar, Bill Palmer, Kennard Manske and Gordon Zapp did a superb job to help gain the victory.

Coach Horton had no regular starting five during the season, but the boys

mentioned above plus Mark Tietsort and Jim Atkins saw the most action.

Meyer led the team in scoring with 225, D. Atkins had 131, Skeahan 100, Henegar 64, Jensen 64, Manske 57, Palmer 44, Zapp 39, M. Tietsort 12, J. Atkins 6, Price 5, Johnson 4, Korff 2.

D. Atkins, Skeahan, Meyer, and Jensen are the only seniors lost from next

year's squad, so a good year can be expected.

Track

Track at Wayne has been growing in recent years and has now gained a considerable following of boys. A number of dual meets are being planned whereby they will have the opportunity to compete with other neighboring schools. The highlight of the season will be the Husker Conference meet at Norfolk. Other large meets in which the team will participate will be the Norfolk Invitational and the District meet at which the boys may earn the opportunity to compete in the state meet.

Honor Society

Left to right: Alice Benthack, Bonnie Sorensen, Mr. Rickers, Bob Carhart, Miss Ross.

The National Honor Society of Secondary Schools was founded in 1921. The Wayne High Chapter was established in 1946.

This organization's purpose is to promote scholarship, service, character and leadership. The members are selected from the junior and senior classes with one-third of each class eligible. Only five per cent of the juniors and fifteen per cent of the seniors may be elected.

These students are not only honored as being members of the local chapter but as a part of 2300 chapters established throughout the United States, Puerto Rico, Hawaii and the Philippines. A large percentage of colleges and universities recognize members of this organization on their campuses.

The officers of Wayne High's Honor Society for this year are: President Alice Benthack; Vice President, Bob Carhart; and Secretary-Treasurer, Bonnie Sorensen.

During the end of the school term new members are initiated into this society. The junior class delegation is not shown in this picture.

Annual Staff

Early last fall a group of seniors met with Mr. Willert and selected the editorial staff which is as follows: editor-in-chief, Bob Carhart; sports, David Meyer; assistant editor, Marjorie Dorman; business manager, Alice Benthack; art and cartooning, Barbara Debus, Dwayne Atkins; organization manager, Bonnie Sorensen; class writer, Billie Leonard; snapshots, Joan Grimm; advanced sales, Don Skeahan and Jerry Lamp; faculty manager, Janet Larsen; and typist, Gladys Temme.

Others who helped are Joan Damme, Joan Nelson, and Elaine Otte.

Band

Vocal music has been a part of Wayne High School since the present building was constructed, but it was not until 1927 that instrumental music was introduced under the direction of Professor Reed. That same year the high school band was merged with the city band, discontinuing instrumental music in the high school until 1933. The band is now under the direction of Mr. A. J. (Pat) Atkins.

The Wayne High Band is composed of 62 members. It meets Monday, Wednesday, and Friday mornings. During the summer months of June, July and August the band presents a concert every Friday evening.

The various public performances this year have been: State Fair, College Homecoming, County Fair, the Hallowesta at Norfolk, window unveiling of the business store windows twice a year, convocation at the college, and marching the afternoon the Hollywood Movie Stars arrived in Wayne.

One of the highlights of the year is the District Music Contest which is held at Wayne. The band plays a very important part in this event. A number of small instrumental groups and soloists also participate in the contest.

This year another added feature was the Band Clinic which was held here. Many of the surrounding towns took part in this event. The high school students practiced under Mr. Rice, the guest conducter, while grade students were instructed by attending band leaders. In the evening a concert was given by both groups at the City Auditorium.

Student Council

The Student Council is one of the most prominent organizations ever founded in Wayne High. It was organized in 1939 and since then has been of constant service to the faculty and students.

The purpose of the Student Council is to furnish citizenship training, to give students an opportunity to participate in school activities, to provide an opportunity for pupils' self-expression, organize effectively for school activities, to improve attitudes and behavior of students, to provide means for the development of leadership qualities, to provide a means for the orderly conduction of various campaigns, and to charter new organizations.

Every class and organization is represented in the Student Council, which conducts its meetings under the guidance of a faculty sponsor. The Council has the Constitutional power to review their meetings in accordance with their constitution. If they do not they are disbanded. All student problems are referred to the Student Council and their decisions are considered final if approved by the administration.

Wayne High Student Council affiliated with The Nebraska Association of Student Councils in October, 1951. Those attending the State Convention at Grand Island, October 6, were Barbara Buehner, Joan Nelson, Elaine Otte, Bobby Sieckman, Don Skeahan, and Mr. Rickers.

The officers are as follows: president, David Meyer; vice president, Marjorie Dorman; secretary, Joan Nelson; and treasurer, Elaine Otte. The sponsor of the group is Mr. Rickers.

Orchestra

In 1944 Mr. Atkins began the task of organizing an orchestra. This musical group had been inactive for several years at Wayne High. Now enlarged to forty-seven members, it meets twice a week.

The Orchestra helped entertain the night of the Junior Class Play. It also traveled to Norfolk at the time of the District

Teachers Convention and with the Norfolk Orchestra played for the evening banquet.

The highlight of the year was the Orchestra Clinic, which was held at the city auditorium. Musicians from surrounding towns and a guest conductor helped to make it successful. The Orchestra also plays a large part in the graduation ceremonies. Members of the orchestra are as follows:

Dramatics

The National Thespian Society was established in the spring of 1929 by a group of teachers and students interested in the advancement of dramatic arts in high schools.

Our Wayne High Thespian Troupe 48 has increased to nearly 44 pledges this year. Officers of the club are: Marjorie Dorman, president; Joan Grimm, vice president; Bonnie Sorensen, secretary; Beverly Carlson, treasurer; Billie

Leonard, clerk, Sponsor of the group is Miss Ruth Ross.

The aims of the Society are two-fold: (1) to establish and promote standards of excellence in all phases of dramatic arts, and (2) to create an active and intelligent interest in dramatic arts among students. It is an honorary organization only in the sense that students are given recognition for having met certain requirements. The motto of our society is, "Act well your part; there all the honor lies."

Among the activities sponsored by Thespians this year were: a "Fall Mixer," the first school dance of the year, a "Gay Nineties" revue, assisted by the music department and others. This program was presented in the high school convocation room February 25 and 26, and was open to the public. It consisted of musical numbers, skits, blackouts, readings and one-act plays. A one-act play "Mushrooms Coming Up" was given by some of the members for the Wayne City Educators. Thespians also sponsored the local declamatory contest held March 10 and helped with make-up in the Junior Class play.

Librarians

Wayne High school has a right to be proud of its library for it is one of the finest libraries in this part of the state. The first Library Club was organized in 1944 by Mr. Landreth and a year later Mrs. Scace became the librarian.

There is a library for both grade and high school students. Some of the new books added to the library this year were the 1951 Americana, 1951 Compton's, 22 volume Diet of American Biography, 5 volume Diet of American History, and several new volumes for each department of education.

The purpose of the club is to promote better service to the school. Grades are given according to the service rendered. One credit is given to each person

working two periods a day for two semesters.

There are twenty-two members in the library club this year, which meet regularly on the first Wednesday of each month. The high school staff includes: Gloria Ahlvers, Sally Liveringhouse, Ronald Bichel, Evan Bennett, Dorothy Finn, Marlene Thun, Mark Tietsort, Bob Morse, Jim Davis, Jack Korff, Rodney Tietsort and Lowell Johnson.

The staff for the grade library is: Beverly Carlson, Norma Bichel, Elaine Hurd, Evelyn Roberts, Sondra Haas, Barbara Debus, Dorothy Finn, Paul Otte, Bob Sieckman, Gayle Grubb, and Jerry Korff. Marcia Witmer took Sondra Haas' place during the second semester.

This year's officers are as follows: president, Barbara Debus; secretary-treasurer, Marlene Thun; and Student Council representative, Lowell Johnson.

When each semester closes, the librarians take an inventory of the books, mend the damaged books, and put the library in order for another serviceable session.

FRONT ROW: Loren Ellis, Kenneth Hamer, Evan Hughes, Walter Gilbert, David Meyer, Dwayne Atkins, Phil James.

"W" Club

The W Club is the youngster among organizations at Wayne High. It was formed last fall when the Key Club disbanded, leaving its membership without a club, but with a considerable amount of ambition. The W Club was their answer. All former Key Club members became charter members of the club. New membership will be taken in at the spring convocation.

The ideals around which the club is organized are the promotion of sportsmanship and the formation of a means by which the athletes may get together socially.

At a meeting early in January the boys elected their officers in compliance with the club constitution. They are: Dwayne Atkins, president; Walter Gilbert, vice-president; Bob Carhart, secretary; and Don Kollmorgen, treasurer.

The club has had programs printed during the year for the Husker Conference play-off in football and the district basketball tournament.

STANDING: left to right: Yvonne Koplin, Elaine Otte, Doris Skeahan.

KNEELING: Marian Kugler.

Baton Twirlers

The baton class is under the direction of Mrs. Hazel Reeve Smith. Members of the group performed at the District Meeting of the Women's Club in Wayne and provided flashing half-time routines with their lighted batons at two of our high school basketball games.

The twirlers led our high school band in many parades, of which the Hallowesta in Norfolk and the W.S.T.C. Homecoming parade are the most spectacular. Since this is perhaps their principle chore it follows that they should receive recognition for performing it well and often.
